

## ECSO Internship Experience

### Summary

The Eastern Connecticut Symphony Orchestra is seeking apprentices to participate in and contribute to all facets of a nonprofit organization. The individual will have the opportunity to assist in engaging the Eastern Connecticut community and to pursue their professional interests through project-based learning at the Symphony. A musical background is not necessary to have a fulfilling experience with Symphony, however an interest in arts would be advantageous.

### Production Internship

Production internship provides a valuable opportunity to gain firsthand experience in working backstage and front-of house during productions. It would be suitable for anyone with an interest in theater productions, event management and performing arts management. A successful applicant's duties may include but are not limited to:

- Assisting backstage management during concerts and events
- Front-of-house operations
- Training in crafting artist itinerary and fulling riders
- Support event/ concert coordination
- General administrative duties

### Preferred Qualifications

- Strong communication skills are required
- Ability to work independently and meet deadlines
- Interest in arts and/or music is required. Knowledge of classical music is a considerable plus
- Comfortable with social media across many platforms
